Primary Healthcare System for Workers

From 1 April 2022, an integrated Primary Healthcare System will provide quality, affordable and accessible primary healthcare services for workers. As an employer, you must buy a Primary Care Plan (PCP) from Anchor Operators for eligible workers.

Key facts

Overview of the Primary Care Plan.

Primary Care Plan (PCP)

From 1 April 2022, employers must buy a Primary Care Plan (PCP) from Anchor Operators (AOs) for eligible workers.

How to buy PCP

Info on Anchor Operators and their locations, and how employers can buy from them.
